

WHY WZ?

Whether it's a scrutinizing public eye on law enforcement, increased interest in false confessions or the latest documentary of the week, law enforcement professionals who conduct interviews may find themselves at risk.

Now more than ever, bringing in a professional law enforcement training organization like WZ is essential to provide your officers with evidence-based, proven methods for conducting proper investigative interviews.

**Limit the risks.
Protect your agency.
Host a WZ training course.**

WE'VE GOT YOUR SIX

Investigative Interviewing Techniques

CONTRACT A WZ COURSE

- Offer agencies control of the number of attendees at a fixed rate
- Allows agencies to estimate costs accurately
- Ability to train more investigators at a reduced cost
- Agency determines who and what departments can attend
- Minimal notice is required for coordination
- Agency selects training dates and location
- Customize course to agency needs
- On-site and virtual training options available

CO-SPONSOR A WZ COURSE

- Cost-effective solution for agencies who need to train a few of their own officers
- Complimentary seats for hosting agency
- Additional discount to officers who attend from host agency after complimentary seats taken
- WZ assists in marketing efforts to increase attendance for the agency to earn more complimentary seats
- WZ creates promotional materials.
- WZ coordinator to assist and keep in contact with the agency to help ensure success.
